The topic of "How To Be A Christian At School" led by two teachers and two students provoked enthusiastic and stimulating discussion last Sunday. How can we improve our campus life? As there was inadequate opportunity, the discussion will be continued at the CYF meeting tonight.

Y P C F

The long anticipated program on "Indian Life" will be presented by Mr. William H. Robins, hospital administrator. As a lawyer, he rendered years of service with the Oklahoma Indians. We will hear about their religious observances, marriage customs, Cherokee, Creek, and Seminole tribes. Of course, you'll want to ask him questions. Hanae Kakehashi, who will preside, promises an interesting and helpful meeting.

The high school group and the YPCF will meet together for the singspiration at 7:30 p.m.

In Prayer

We extend our sympathy and include in our prayers, the family of Mrs. Naka Ishii in the loss of husband and father. Frank had returned from Chicago recently while brother Chris is serving with the U.S. Army in China. The funeral was held last Friday in our church. The Rev. Y. Sasaki was in charge.
